LUNCH WILL BE PROVIDED

Learn About:

- Effective screening for behavioral HIV transmission risk factors
- Delivering universal prevention messages
- Providing tailored prevention interventions
- The importance of Partner Services in the care of patients

Achieve These Objectives:

- ✓ Outline a correct approach for screening for STDs
- ✓ Address patient misconceptions about HIV transmission
- ✓ Provide brief behavioral interventions and referrals for more intensive interventions
- ✓ Initiate discussion of the four partner referral options with patients

Faculty:

Christopher Hall, MD, MS

- Medical Co-Dir., CAPTC
- Medical Dir., Magnet/SF AIDS Foundation
- Attending Physician, East Bay AIDS Ctr.

Other faculty to be announced
