

The UCSF San Francisco Area AIDS Education & Training Center, San Francisco City Clinic, the California STD/HIV Prevention Training Center, and the Center for Health Training present:

Clinicians' Essentials of **STDs, HIV & Sexual Health**

Thursday, April 22, 2010

8:30 a.m. — 4:00 p.m.

**UCSF Mission Bay Campus Conference Center
1675 Owens Street, San Francisco**

WHO SHOULD ATTEND?

This activity is targeted to **primary medical care providers and clinicians** active in the care and treatment of patients with HIV and AIDS.

HOW MUCH DOES IT COST?

There is a **non-refundable \$25.00 registration fee** to defray the cost of professional continuing education credit, course materials, and refreshments/lunch.

WHAT CONTINUING EDUCATION CREDIT IS AVAILABLE?

The Center for Health Training designates this educational activity for a maximum 5.5 AMA PRA Category 1 Credits™. Physicians should claim credit commensurate with the extent of their participation in the activity. This credit may also be applied to the CMA Certification in Continuing Medical Education. CHT is accredited by Institute for Medical Quality/California Medical Association for issuing AMA/PRA Category 1 Credit(s)™ for physicians. CHT takes responsibility for the content, quality and scientific integrity of this CME activity.

This course meets the qualifications for 5.5 hours of continuing education credit for nurses as required by the California Board of Registered Nursing (Provider #CPE 13741).

HOW DO I REGISTER?

Simply complete an RSVP Form (attached or available online—see below) and return with your \$25 registration fee as indicated.

Please join us for a day of interactive, case-based learning and discussion designed to improve your knowledge and skills in:

- ◆ Syphilis & HIV Clinical Issues for 2010
- ◆ The Jury is Out.....!
 - ◆ HIV PEP in Sexual Assault?
 - ◆ HCV: Is It An STD?
 - ◆ HIV PrEP— The Next BIG Thing?
- ◆ Connecting the Dots: HIV Testing, Partner Services & Prevention
- ◆ Partner Disclosure: *Ask, Screen, Intervene*
- ◆ Patient & Provider Dialogue: Sex & Drugs

Participants completing this activity should be able to:

- ◆ Identify, diagnose, and treat syphilis in the HIV+ patient.
- ◆ Understand the relationship between HIV and STD testing, partner services, and prevention
- ◆ Address issues in partner disclosure.
- ◆ Advise patients on hepatitis C and sexual contact.
